Plantation Activity

Eco club and NSS unit of Government degree College Dehar organised a plantation activity in the college campus on 17th August 2024 under the supervision of Principal Dr. J.P. Singh. 'Ek Ped Maa ke Naam' campaign has been launched nationwide to tackle global warming by promoting large scale tree planting to protect the environment and nature. The main objectives are environmental conservation, community participation, honouring mothers, raising environmental awareness and instilling a sense of responsibility towards the environment among students. Under the campaign 'Ek Ped Maa ke Naam' volunteers of NSS unit and Eco club planted fruitful, shady and medicinal plants in the college campus. All the students were asked to plant at least one sapling or tree at or around their home and to take care of the same. The program was coordinated by Eco Club convenor Dr. Nishu Sharma. Dr. Sanya Kumari, Prof. Meera Sharma, Dr. Jai Kiran and Assistant Librarian Sh. Nanak Chand were present on the occasion. The volunteers participated in the campaign with enthusiasm and zeal and expressed their gratitude towards nature and mother.

Earth day was celebrated by the Eco Club and NSS Unit of Govt. degree college Dehar in the supervision of Principal Dr. J.P. Singh. This year 2025, the world Earth Day theme is "Our Power, our Planet." This theme focuses on the common responsibility of people, organisation & govt. to switch on renewable energy sources & build a sustainable future. The main objective of celebrating Earth Day is to promote environmental protection, reduce pollution, optimum utilisation of natural resources and make earth green by planting trees. Students appealed to inspire people for the importance of environment & its protection through posters. The entire college staff were present in this programme. The co-ordinators of this programme were Dr. Nisha Sharma & Dr. Jai Kiran.

Eco-club and NSS unit of GDC Dehar organised a plantation activity in the college campus on 25th July 2025 under the supervision of Principal Dr. J. P. Singh. Under the campaign 'Ek Ped Ek Aashirwad-2', the volunteers enhanced the beauty of the college campus by planting flowering and medicinal plants. The event also emphasized the importance of regular care and watering to ensure healthy growth of the plants. The volunteers also fulfilled their duty of environmental protection and social responsibility by planting saplings in their own homes. Maintenance tasks have been assigned to student volunteers to ensure the long term survival of the saplings. Dr. Nishu Sharma, convenor of Eco Club and Dr. Jasbiran, Program Officer of NSS unit were the organizers of this activity. The entire college staff were present in this programme.

International Water Day 22nd March

#2
FREEMIND
Date 23/03/2026
Page _____

Eco club of Govt. Degree College Dehar celebrated International Water Day to raise awareness about the importance of water conservation and sustainable water management under the Chairmanship of Principal Dr. J. P. Singh. The event began with a session highlighting the significance of water, water scarcity issues and practical steps for conservation of this vital resource.

Students showcased their creativity through poster making and slogans promoting water conservation. The International water day event at GDC Dehar served as an impactful platform to educate and inspire college community. It reinforced the message that water is a precious resource and its conservation is the responsibility of everyone. Dr. Nishu Sharma was the co-ordinator of this programme. The entire college staff were present in this programme.
